“ As a child, I would see Sue on school days as I waited for the bus at the end of my parent's driveway. Sue always started my elementary school days with a wave and a smile as she drove by on her way to work.
As an adult, I would sometimes have the pleasure of running into Sue while we were both working at the mines in Boyers. Again, Sue was always so kind every time that our paths would cross.
Prayers to the family of this wonderful woman!
