“ I had the pleasure of meeting Noel during my volunteer patient visits at UPMC Presby. Despite his illness he was always very cheerful and a pleasure to talk to and share our lung transplant stories. RIP Noel. You will be missed dearly my friend. Breathe easy.

“ My thoughts and prayers are with all of you. I am so sorry for your loss. Mac always had a smile on his face. So many memories from high school are coming back to me. A lot of time was spent with him , Willie , & others riding around in his car listening to good music & laughing until we cried. He will be greatly missed by everyone who knew him. He was a wonderful person.
